

PARENT & CHILD CODE OF CONDUCT

In accordance with Health & Safety measures, Fakenham Tennis Club has many policies in place for the protection of all those who enjoy the facilities.

The L.T.A. also like their member clubs to have the L.T.A. 'Code of Conduct' in place & Fakenham club also has it's own 'Parent & Child Code of Conduct'.

With this in mind, we would advise you of the code of conduct that we expect all parents & children to use when involved with the club.

Parents

- Do not take photographs of children without the permission of the club coach & the parents of any child involved.
- Do not leave your child at the club unless the coach is present (on coaching sessions) or 2 adult members.
- Always ensure that there is somebody to collect your child at the time the session is due to finish

Children

- Bullying or exclusion of other children is totally unacceptable
- Please do not make excessive noise
- Do not leave litter on or around the courts
- For your own safety, do not walk behind or across a court when play is taking place
- Never leave loose tennis balls on or close to the playing area.

We also expect everyone to adhere to the L.T.A. code of conduct, a copy of which can be found on the club website.
