

## COVID-19 SAFEGUARDING POLICY

Fakenham Tennis Club

Please ensure that you keep at least 2 meters of social distancing apart at all times.

Please book your court by phone before going to the Centre. The number is currently Sally's mobile 07810 203968.

Wash your hands for the required 20 seconds or more before leaving home & again on your return.

Arrive as near as possible to your court time & try to park with a reasonable gap between cars.

On arrival, one person should go to the golf shop, where the key to the courts will be kept. When going to the golf shop, enter by the usual path, but come out via the ninth hole & practice area. There are sanitizers at both entrance & exit to the golf course. Please sign in the book, stating names of both players & date & time of play. Colin will come across to the courts to unlock for you, thus only one person will touch the key & you will not need to go back to return it. Make sure that Colin knows when you are leaving so that he can return to lock the courts.

Please allow anyone already on court to leave if necessary, before entering the courts & in the event someone is continuing to play on the other court, please do not cross the court until they are the correct social distance away.

In order to avoid touching anything unnecessarily the nets should be left up at the correct height.

Ideally, we would ask that you do not change ends, but if conditions are such as to give an advantage, then change at opposite ends of the net.

Take all your own equipment with you. This should include rackets, balls, drinks & hand sanitizers. Please mark your balls with your name & ensure that you only pick up or touch your own balls. All equipment should be cleaned after play.

If you need to sneeze or cough, please ensure that you use a tissue or your sleeve! There are first aid facilities, including a defibrillator, in the golf shop.

Please ensure that you leave nothing on court & do not congregate after the game.
